1. In keeping with the World Trade Organization agreement on subsidies and countervailing measures, Commerce is instructing CBP to discontinue the suspension of liquidation of entries concerning the countervailing duty investigation of stainless steel sheet and strip from the People's Republic of China effective 11/14/2016, which is 120 days after the date of publication of Commerce's preliminary determination.

2. The products covered by this investigation are described in message 6081316 dated 03/21/2016.

3. This investigation has been assigned investigation number C-570-043.

4. CBP shall discontinue the suspension of liquidation for countervailing duty purposes on all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after 11/14/2016. The suspension of liquidation will not be resumed unless and until the final affirmative determination on this case is published in the Federal Register by the ITC. CBP shall continue to suspend liquidation on all shipments entered, or withdrawn from warehouse, for consumption made during the period 04/19/2016 through 11/13/2016 until the conclusion of the countervailing duty investigation.

5. These discontinuation instructions do not affect the requirements of a cash deposit or bond on entries subject to the suspension of liquidation announced in Commerce's preliminary determination in the companion antidumping duty investigation of stainless steel sheet and strip from the People's Republic of China.
